## Emergency Medicine (MEM) (International)

MEM program partnerships with RRIEM/GWU have been in existence since 2006, and since that time there have been 377 graduates and 305 current residents in training. There is still vast ongoing need for education and training in Emergency Medicine in India.

There is no doubt that the MEM partnership programs hold the highest standard of education and training of all EM programs in India, with a strict curriculum, formative and summative assessment, ongoing faculty visits, concurrent local faculty development, weekly evaluation processes, and more

## Highlights

- ✓ First GWU International Academic Centre in India at Aster MIMS
- ✓ Selection through written, attitude and aptitude tests
- ✓ MRCEM training opportunities
- ✓ Observership in RRIEM GWU, USA
- ✓ Regular & monthly international faculty support
- ✓ Opportunity to get trained under highly skilled emergency physicians and faculty throughout Aster DM Emergency Network
